Hut Maintenance

Track to hut

Track is lower than grass so collects rainwater. Been filling the holes for some time, but a more permanent solution is required.

Various solutions were suggested (Concrete channels, hard core type 1) Sub committee to investigate further (TM, GP, MB)

GP was investigate the use of employers equipment, TM to investigate materials needs. Compactor?

Flooring

TM will survey.

Grass Cutting

A sit on mower has been donated to the group from Trevor.
Derek Bines has offered to cut the grass on an ad-hoc basis
Mr Sturgeon has offered to cut the grass if necessary.
Query where to store mower?

Cess Pit

Probably needs emptying as unsure when last emptied. Estimated cost of £50. LB to action.

Cleaning

Gillian volunteered to continue cleaning the hut on a regular basis.
Chrystal has offered to provide cover for Gillian if required.

Fire Extinguishers

Need to be checked annually. GS to action.
